INVITATION FOR

THE THIRD INTERNATIONAL MEETING FOR SOLIDARITY WITH CUBA OF THE COUNTRIES FROM CENTRAL AND EASTERN EUROPE

17th – 19th of November 2017, Sofia, Bulgaria

Dear comrades, friends of Cuba from Central and Eastern Europe,

The Association for friendship "Bulgaria – Cuba" will be the host of the third international meeting for solidarity with Cuba of the countries from Central and Eastern Europe, which will take place from the 17th to the 19th of November 2017 in Sofia.

We hope that all of you will be active participants in the forum which will confirm our solidarity and friendship with the heroic people of Cuba and their struggle to continue in achieving the dignified and noble aims which create the possibility for the development of the society in Cuba, for its incessant co-operation and solidarity with all the people in the world as well as to contribute to the development of a better and peaceful world.

The event will give the distinguished honor to the memory of Commander in chief Fidel Castro and we will remember his ideas and legacy. At the same time we will express our honor to the great fighter and revolutionary Ernesto Che Guevara on the 50th anniversary of his death.

The five Heroes from Cuba have been already released and they participate actively in the construction of the socialist Cuba. But in spite of all, on the international arena, the struggle for doing away with the economic, trade and financial blockade imposed by the USA on Cuba for over half of a century becomes more urgent and decisive. Among the main topics for discussion at the meeting will be that of the territory of the base of Guantanamo which was illegally occupied by the USA government, to be returned to its legal owner, the right of Cuba to defend its political and social system chosen by the people, as well as the respect to its sovereignty and self-determination. The new Latino-American context and aggression by the Organization of the American states (OAS) press us to increase and improve solidarity activities.

The initiative for solidarity with Cuba will give us the possibility to present a exhibition on the activities and work of the Association for friendship “Bulgaria–Cuba” in our state, as well as the exhibition of paintings of Bulgarian children who annually participate in the National Pupils Competition “Cuba so far and so near”. This year will be its eleventh edition. In order to present a more complete exhibition of the European solidarity with Cuba we would like to ask you to send photos and materials of the activities on the topic in your countries.

An important delegation of ICAP was invited to share with us the event as well as representatives of political, social, university, school and syndicate organizations from the Bulgarian society and distinguished people from Bulgaria and other countries.

We would like to present to your attention information on the logistics and program of the event.

The participation fee is 250 Euro for a person. It includes:

1. Registration and accreditation of the event for which we need your full name, country, organization and position.
2. Two nights lodgings including breakfast in a double or a single room (those who wish to have a single room should pay 40 Euro in addition).
3. Food: two lunches (on the 18th and the 19th of November), 3 coffee breaks (on the 18th November – 2 and on the 19th of November–1). Two dinners: on the 17th of November– the official dinner and on the 18th of November.
4. Transport to and from the international airport “Sofia”, to and from Park Hotel “Moskva”.
5. Work materials for the event. The meeting languages will be Bulgarian, Russian, Spanish and English.
6. Sofia round tour and a visit to the National Historical Museum by bus with a Spanish language guide.
7. Reception proposed by the Cuba embassy in Sofia.

The rest of the payment (so the complete amount paid would be 250 EUR) must be processed until the 15th of October 2017. We kindly ask the person who would process the payments to also pay the bank transfer taxes.
